About MR. MBA®, Our Awesome USA 501c3 Education Nonprofit!

Message from MR. MBA®

Greetings Students & Parents,

My name is Val Misra, also known as MR. MBA®. I founded our 501c3 Nonprofit with a goal of helping students worldwide get into their Top Schools-College, MBA, Masters- & Careers.

Studied At:

Worked At:

01 Our Mission

To provide the best education admissions (College, MBA, Masters) and career expertise to all, both those who can and cannot afford to make a donation to us, in a hope of making your education / career dreams come true!

To spread brand awareness for our cause and reach aspiring students all over the world!

02 Our Vision

To help all students worldwide realize their education dreams for decades to come.

If you are successful, it is because somewhere, sometime, someone gave you a life or an idea that started you in the right direction. Remember also that you are indebted to life until you help some less fortunate person, just as you were helped.

The Ivy League (IVL)

“**The 8 Ivy League (IVL) schools** are considered the most sought-after institutions of higher learning in the country and around the world. These eight private Northeastern schools are known for their highly selective admissions process, academic excellence and promising career opportunities for those who attend. The name recognition and social prestige don't hurt either. **First grouped together by athletic conference, Ivy League (IVL)** schools have been known to churn out not only well-rounded student-athletes, but future presidents, Nobel Prize winners and other high-achieving graduates. The list of Ivy League schools includes some of the oldest institutions in education, with well-respected professors, ample research grants and generous financial aid resources.” - *US News*

The Top Non-Ivy National Schools

The Top Non-Ivy National schools are also the most sought-after institutions of higher learning in the country and around the world. These schools are known for their global acclaim, highly selective admissions process, academic excellence and promising career opportunities. The name recognition and social prestige don't hurt either. These top schools have also been known to churn out not only well-rounded student-athletes, but future presidents, Nobel Prize winners and other high-achieving graduates.
